Consolidated Plan and Analysis for Impediments Request for Public Input

The Yakima County HOME Consortium has developed drafts of the Consolidated Plan for Affordable Housing (2020-2024) and the Analysis of Impediments to Fair Housing (2020-2024). These documents are designed for states and local jurisdictions to assess their affordable housing and community development needs, market conditions, and to determine what, if any, impediments there are to fair housing. The Yakima County HOME Consortium is now requesting public input on the Consolidated Plan for Affordable Housing (Con Plan) and the Analysis of Impediments to Fair Housing (AI).
