Sewer Connection & Inspection Application

Request for a sewer connection must meet Union Gap Municipal Code Chapter 12.08.010, which states in part, that the owner of each lot or parcel to be serviced shall:

Make application for a permit to connect to the sewer system and at the time of making the application pay for a Sewer Connection and Inspection, and thereupon cause a connection to be made between the sewerage system and each such building of structure.

sewerage system and each such building of structur	re.
