Mandatory Requirements:

If working within City Right-of-Way, all adjacent Property Owners must be notified of the project ***prior*** to work commencing.

Property owners are required to contact the ***Utility Notification Center: Call Before You Dig*** of their intent to dig. By phone dial 8-1-1 or go on-line to <https://www.washington811.com/>.

Water Service Connection:

- ✓ City will install city-side water service (some exceptions pertain).
- ✓ Property owners are responsible for all work required on the owner’s property.
- ✓ Existing private wells shall be decommissioned, per the WA State Department of Ecology guidelines.
- ✓ Transfer exempt water rights to the City of Union Gap.
- ✓ The City pays all associated fees for the filing and decommissioning of the existing private well.
- ✓ Property owners must obtain a plumbing permit (approximately \$50) from the City’s Community Development department.

* *Some exceptions pertain; additional fees may apply to certain areas*

** *To be reviewed and determined by the Director of Public Works*

E.R.U. *Equivalent Residential Unit*
